NAPE Summit Week returns to the George R. Brown Convention Center Feb. 3-7, bringing together more than 12,000 professionals and 700 exhibitors from across the globe to network, learn and make deals happen.

According to a media release, in addition to more than 433,000 square feet of exhibit space, NAPE Summit hosts numerous professional development seminars, networking events, international and domestic prospect previews, panel discussions with industry leaders, a job fair, the all-new NAPE/TCU Case Competition and much more.

On Tuesday, Feb. 4, MBA students from 11 of the nation's top business schools compete for \$40,000 in cash prizes at the inaugural NAPE/TCU Energy Innovation Case Competition. Four-person student teams will analyze the implications of the performance of U.S. E&P equities in 2019 and then present their innovative solutions before a panel of judges made up of leaders from industry and academia. The competition is sponsored by the AAPL Educational Foundation.

At the NAPE Global Business Conference on Wednesday, Feb. 5, industry leaders share candid insights into the latest trends, issues and challenges. Keynote speaker Matt Gallagher, president and CEO of Parsley Energy, will discuss revolutionary shale drilling in his presentation titled "A Shale New Deal: Resilience and a Green Future." Other speakers and presentations include:

- "The Myopia of a Carbon-Only Lens" presented by Dr. Scott W. Tinker, director of the **Bureau of Economic Geology** at The University of Texas at Austin

- "Trends in the North American Frac Industry" presented by Leen Weijers, vice president of engineering at Liberty Oilfield Services

- "Data and Where It Is Going" panel discussion moderated by Jim Wicklund, managing director at Stephens Inc., with Zane Arrott, COO of RSP and Rising Star Energy; Nate Clark, principal at Deloitte Consulting LLP; and Evan Anderson, co-founder and CEO of Oseberg

- "Beyond the Wellhead The Missing Links" panel discussion moderated by A. Chris Aulds, partner at Pearl Energy Investments, with panelists Tom Lloyd, director of marketing and midstream at Marathon Oil; Brian Frederick, president of asset operations at DCP Midstream; and Jim Finley, CEO and owner of Finley Resources

- "Emerging World LNG Markets: Forecast & Prognostication" presented by J. Corey Grindal, senior vice president of supply at Cheniere Energy

- "A&D Update" presented by Maynard Holt, CEO of Tudor Pickering Holt & Co.
